RE: Attached New Application for Utility Patent
TITLE: System of binding all computerized organizational intelligence on a server
computer and RDBMS portal software tool and methodology
Related to: Associated Australian Provisional Patent 2002950216 of 11-JULY-2002
Inventor: PRF Brown, Falls Rd, Falls Creek, NSW 2540 , Australia
Owner: PRF Brown, Falls Rd, Falls Creek, NSW 2540 , Australia

Dear Sir or Madam,

Please find attached:

1. a declaration statement (Form number PTO/SB/01).
2. there are 23 pages in the specification excluding claims.
3. there are 9 claims, and 5 pages of claims.
4. there are 9 figures of drawings and 9 pages of drawings
5. a declaration of 2 pages in included.
6. payment may have already been processed (See below)

I am the sole inventor of this invention, and reside in Falls Creek, in New South Wales, in Australia.
Hopefully you may already have received a copy of the application received and date-stamped by the
US Postal Service on Friday 11th July 2003.

Additionally, a copy of the specifications and drawings were attached to an email received by the
USPTO and assigned the tracking number of T20030711001K, with an explanation concerning my
failure to remember the deadline date of 11-JULY-2003 until 21:00 hours on the evening before
Thursday 10-JULY-2003.

**The PTO did not receive the following
listed item(s) 13 Pages of SPEC
but received 23 Pages of it**

I am aware that the earlier application hopefully already received and date stamped 11-JULY-2003 by the US Postal Service is without a number of formality documents, and I hope to have both of these (Declaration and Application Form) completed and attached hereunder.

This earlier copy of the application referred to above should have however had my credit card details and authority for payment of Filing Fees, so I am hoping this has already happened.

Please let me know how I may assist in the provision of further information if required, or in the satisfaction of any formality requirements that I have failed to meet in this application.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'P. Brown', with a stylized flourish at the end.
